

# EAT FAT, GET THIN

## Are You Sick? The Toxicity Questionnaire

---

For the “before” part of the questionnaire, rate each of the following symptoms based upon your health profile for the past 30 days. You’ll take this quiz again after your 10-Day Detox, but it’s especially important that you take the time to complete and score it now, before you embark on the program. Without that baseline score, 10 days from now you may have a hard time believing just how different your “after” results really are.

### Point Scale
